

Pureland Buddhism's Singleness  
of Heart (anjin) is the "Threefold Heart"  
三身 sanjin (3 Station/Person/Hypostasis)  
& "Faith" shinjin 信心 (true mind / citta-prasada)

The Commentary on the Contemplation Sutra:  
"with a resolute and genuine mind, we dedicate merit and aspire."

Amida's Sincere Heart = His Primordial VOW

Our Sincere Faith ( shijoshin 誠意信 ) / Total Reliance upon  
Amida's Primordial Vow Power (Grace of Faith)

Amida's Profound Heart = His Salvific NAME

Our Profound Faith's Dual-Aspects (nishu jinshin) = Resolute Acceptance of self-power's  
insufficient Capacity & of the all-sufficient Other-power of Amida's Name  
(Grace of Hope)

Amida's Aspiring Heart = VIRTUE-sharing  
for our PL Re-birth

Our Aspiring Faith in Virtue-Transference ensuring Pureland Rebirth (eko-hotsuganshin) =  
exclusive Nembutsu Practice (Grace of Love)

Amida's VOW employs His NAME to transfer MERIT for our PL Rebirth. Faith, Hope & Love are  
bestowed on us.

We entrust ourselves to Amida's VOW with sincere faith, His NAME with profound hope, & His  
MERIT transference for our PL Rebirth in aspiring love

"The **threefold mind** is that is single"
